Dear Child Care Provider:

This letter is in regards to the follow up at your Registered Child Development Home B conducted on 08/21/2020. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 1 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7**Provider Requirements**

441 IAC 110.8 Standards. Conditions in the home are safe, sanitary, and free of hazards.

441 IAC 110.8(1)**Facility Requirements**

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(2)**Use of Outdoor Space**

441 IAC 110.8(2) “a” A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

441 IAC 110.8(4)**Emergency Plans**

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.9

Files

441 IAC 110.9(1)**A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

441 IAC 110.9(1)“b”(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:

1. Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.

441 IAC 110.9(3) An individual file is maintained for each substitute and contains:

1. Documentation from the department confirming the record checks required under 441 IAC 110.9(1) “a” have been completed and authorizing or conditionally limiting the person's involvement with child care.
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
4. Certification in infant and child first aid
5. Certification or other documentation that minimum health and safety training has been completed within 3 months or prior to providing substitute care, whichever occurs first.

Findings:

On 8/21/20 Chad Reckling, SW II conducted a follow up visit to the childcare home. The following was observed:

Alicia needs to re-install her smoke detector in her bedroom. This was observed to be completed.

Alicia needs to practice and document her monthly smoke detector checks and fire and tornado drills with her daycare children. Data was missing from January through May of 2020. This was observed to be completed.

Alicia needs to store her hand tools, hose and remove sunscreen from her outdoor play area. This was observed to be completed.

Alicia needs to show documentation of current physicals for Daveion, Ollie and herself on the Childcare Provider Physical Examination Report Form. Daveion no longer resides in the home. This was observed to be completed.

Alicia needs to have Ollie Cobb appropriately background checked by the Central Childcare Registration and approved prior to allowing him to continue to live in her childcare environment. Alicia stated that Ollie will reside at alternative living arrangements until this is completed. Ollie remains living at an alternative address until he is approved by the Central Childcare Registration Unit.

Alicia needs to show documentation of approval for Nephateria as an assistant/substitute from the Central Childcare Registration Unit. Nephateria has not been active as an assistant for Alicia's childcare operation and will not be so until approved.

Alicia needs to show documentation of a current physical for Nephateria on the Childcare Provider Physical Examination Report Form. This was observed to be completed.

Alicia needs to show documentation of current course completion for Mandatory Reporter Training for Child Abuse, First Aid/CPR and Essentials training for Nephateria. This was observed to be completed.

Items of non-compliance remaining after today's visit:
None

Suggestions/Recommendations:**Corrective Action Required:**

No further action is required.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.
