Savanna Bragg
334 S Elmwood AVE
Davenport, IA 52802

Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 10/10/2018. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7 **Provider Requirements**

441 IAC 110.8 Standards. Conditions in the home are safe, sanitary, and free of hazards.

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(1)“o” The provider shall document all injuries that require first aid or medical care using an injury report form. The form shall be completed on the date of occurrence, shared with the parent, and maintained in the child’s file

441 IAC 110.8(1)“p” The provider shall have written policies regarding the care of mildly ill children and exclusion of children due to illness and shall inform parents of these policies.

441 IAC 110.8(1)“q” The provider shall have written policy and procedures for responding to health-related emergencies

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)“b” A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.8(5)

Safe Sleep

441 IAC 110.8(8)

Activity Program. There is an activity program and it promotes self-esteem and exploration.

- a. Activity program includes active play.
- b. Activity program includes quiet play.
- c. Activity program includes activities for large muscle development, such as running, climbing and riding toys.
- d. Activity program includes activities for small muscle development, such as coloring, puzzles, finger plays and play dough.
- e. Play equipment and materials in a safe condition, for both indoor and outdoor activities which are developmentally appropriate for the ages and number of children present.

441 IAC 110.9

Files

441 IAC 110.9(1)

A provider file is maintained and shall contain the following:

441 IAC 110.9(1)“ a”

A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

441 IAC 110.9(1)“ b” (1)

I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa’s Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years’ training requirements, not including first-aid and mandatory reporter training

Findings:

Savanna will need to allow her garage area to be viewed at her follow up visit.

Savanna will need to place a new battery in her detector located on the shared entry way with her living room/dining room; need to re-install detector at top of basement stairs; need new battery in detector next to the kitchen; need battery in detector at top of second story stairs; need detector at top of second story stairs. Savanna signed a safety plan with the department today that she will insure that she has at least one working smoke detector in her childcare home within 24 hours.

Savanna needs to show documentation that she checks her smoke detectors on a monthly basis and that she practices fire and tornado drills monthly.

Savanna needs to show documentation of an injury report form.

Savanna needs to show documentation of her policies/procedures for: what children cannot come to her childcare operation due to pre-existing illnesses; how she would provide care to a daycare child that becomes sick while in her care; and how she would handle a health related emergency for a daycare child while in her care.

Savanna needs to add disposable tweezers to her first aid kit.

Savanna needs to show routes for fire and tornado on her emergency plans that are posted.

Savanna needs to make the follow changes to her Emergency Preparedness Plan:

Add location within her home for Shelter in Place location.

Add "will lock all windows and doors as possible" to her Lockdown section.

Add Reunification Plan for her daycare families if she evacuates her childcare home.

Add "will seek out DHS approval prior to re-opening her childcare operation" to her Continuity of Operations section.

Savanna needs to show her toys for active and quiet play for her daycare children.

Savanna needs to show documentation of a current physical for herself on the Childcare Provider Physical Examination Report Form. This worker provided Savanna with the correct form during today's visit.

Savanna needs to show documentation of current course completion for Health and Safety Training - this was found during today's visit.

Savanna needs to show documentation of current course completion for Mandatory Reporter Training for Child Abuse.

Suggestions for Improvement:

Recommendation:

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home either on or after 12/4/18.

[] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home.

Please do not hesitate to contact me at DHS at (319) 208-5521/creckli@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Chad Reckling

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 563-324-3236

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you can access the approved training by going to http://www.dhs.state.ia.us/Consumers/Child_Care/Professional_Development.html

You may also access training at: <https://ccmis.dhs.state.ia.us/trainingregistry/>

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
