Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 08/08/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"a"	The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information
441 IAC 110.8(1)"b"	Electrical wiring shall be maintained, and all accessible electrical outlets shall be tamper-resistant outlets or shall be safely capped. Electrical cords shall be properly used. Improper use includes running cords under rugs, over hooks, through door openings, or other use that has been known to be hazardous
441 IAC 110.8(1)"g"	The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(1)"i"	Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported. Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home's hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children. All signs shall include: **1.** The telephone number for reporting complaints, and **2.** The Internet address of the department of public health (www.iowasmokefreeair.gov)

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)"b" A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)" a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the

premises.
i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care
l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

Compliance visit was also combined with a pre-inspection of new residence.

1. 110.8(1)a Provider does not have current/updated emergency contact information for each child on paper, readily accessible.

2. 110.8(1)b Provider does not have all outlets safety capped.

3. 110.8(1)g The provider does not have a 2A-10BC fire extinguisher at her new home/daycare.

4. 110.8(1)h The provider has purchased but has not yet installed smoke detectors in the residence.

5. 110.8(4)a The provider has not completed or hung up emergency and disaster plans for fire/tornado (including maps with evacuation routes/safe place).

6. 110.8(1)i The provider does not have No Smoking signs at every entrance of the home.

7. 110.9(1) Provider File:
-Provider needs an updated physical on form 470-5152, Child Care Provider Physical Examination Report.

8. 110.9 Children Files:
-The provider did not have children's files at her new residence for SW Bailey to review. The provider reported that her children's files need to be updated.

Suggestions/Recommendations:

1. The provider needs to have a piece of paper, readily accessible by the phone, with emergency contact information for each child.

2. The provider needs to assure that all electrical outlets are safety capped.

3. The provider needs to have a 2A-10BC fire extinguisher visible and readily accessible on each child occupied floor.

4. The provider needs to install smoke detectors in each child occupied room.

5. The provider will need to complete and hang up emergency and disaster plans by the primary and secondary exits.

6. The provider needs to have No Smoking Signs posted at every entrance of the home.

7. The provider needs a current physical for herself, on form, 470-5152, Child Care Provider Physical Examination Report.

8. The provider needs a current and up to date physical on each child enrolled in care.

Corrective Action Required:
