CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Karla Leos De Nunez is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2011. Karla lives in a large 2 story house but only uses the main floor for her child care operation. Karla speaks both English and Spanish. Karla currently provides care from 6:30am to 4:30pm.

2. Identify Observed Strengths Of The Program

Karla Leos De Nunez was organized for our compliance check. At the time of my compliance visit, Karla had 2 daycare children present both age 2 years old. Karla has a pool in her backyard but a large fence and deck is around it, along with a lock on the gate. Karla said daycare children play in the font yard and do not go in the back yard. Karla said the daycare children like to play with toys, dolls, do dramatic play and arts and crafts. Karla uses redirection for discipline. We reviewed all safe sleep regulations. Karla does not currently have any infants enrolled but she does have cribs for infants to sleep in.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
