CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Beuline Bucumi has been a registered Child Development Home Provider since November of 2009. She is currently a category "A" CDH Provider. An "A" provider can have 6 preschool children and 2 additional school aged children present at one time. Beuline's availability to provide care for families is 24 hours a day 7 days a week. There are no pets in the home. Beuline does not currently have any families in care at this time. Beuline renewed her registration in April of 2025.

2. Identify Observed Strengths Of The Program

Beuline is current with her required trainings as reviewed by the Registration Unit. She has completed Safe Sleep training and would implement the practice if she has an infant younger than 12 months. Children in Beuline's care receive regular meals and snacks as appropriate. Beuline identified redirection and removal of privileges as her main behavior interventions. Corporal punishment is not practiced in the Child Development Home. Beuline's availability allows her to care for families with non-traditional schedules.
