CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I completed a compliance visit with Registered Child Development Home Category B provider Darlyce Shaull on 8/12/2025. Darlyce had 7 countable children in care during the time of my visit, and continues using the main floor only of her 2 story home. Darlyce has one HHS-approved assistants, and no substitutes. She has been involved in child care for 10 years, 5 of them being registered with the State. Darlyce has a fenced back yard for her outside play area.

2. Identify Observed Strengths Of The Program

Darlyce offers mostly a free-play curriculum with the children. They have regular outside time when weather permits. Darlyce serves an area where child care services are in high demand, but is able to stay within her numbers and maintain good control of her environment. Darlyce is able to separate play spaces with child gates to allow different age children access to different activities.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
- Darlyce needs to find or obtain her current physician signed statement of health to have on file. This needs to be completed using the State form she has a copy of and needs to be renewed every 3 years.

No re-check is required at Darlyce's operation. The health statement needs to be on file by 10/31/2025 and will be reviewed during her next visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

I encourage Darlyce to work with Christa Jergens from Child Care Resource and Referral with any ongoing compliance or training needs.
Christa can be reached at: (515) 201-7203

Darlyce cares for one infant under 12 months of age who was awake during our visit. We reviewed safe infant sleeping policies. Darlyce has a crib for the infant's napping.

HHS Child Development
Home Compliance Worker: Earl Crow Date: 8/26/2025

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at
