1. Basic Overview

Jeanne is a category B provider who has been providing childcare for approximately 23 years. There is a fenced in front yard with a variety of playground equipment. Jeanne has four substitutes/assistants. She belongs to the food program. There are three cats and one dog in the home.

2. Identify Observed Strengths Of The Program

Jeanne is an experienced provider who is very conscientious about the care she provides for the children. Her home is clean and organized. She is prepared to meet any emergency situation that may arise. There are no safety concerns in the home.

3. Identify The Aspects That Fall Below The Standard

CHILD CARE ANNUAL EVALUATION

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.

The provider's pet need updated physical examinations in their files.

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Within six months of becoming registered, children 18 years of age or younger residing in the household must have: Admission physical exam report. Immunization certificate. For school age: Documentation of physical exam completed at time of school enrollment or since that time.

The provider and one of her children need updated physical examinations in their files.

110.9 (2) c : Certification of two hours of approved training relating to identification and reporting of child abuse within six months of employment.

Both of the provider's assistants need documentation of completed Mandatory Reporter training.

110.9 (3) b : Within six months of approval, a Physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, which is repeated at least every three years.
110.9 (3) c : Certification of two hours of approved training relating to identification and reporting of child abuse within three months of employment.
110.9 (3) d : Certification in infant and child first-aid that includes mouth-to-mouth resuscitation.If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.
110.9 (3) e : Certification or other documentation that minimum health and safety training as identified in 110.10(1)“a” has been completed within three months or prior to providing substitute care, whichever occurs first.
