1. Basic Overview

Heather Corigliano has been a registered childcare provider since March of 2013. Heather is currently a category "C1" Child Development Home Provider. This category allows Heather to have 8 children in care at one time. Heather does not have a substitute or assistant for her program. There is one pet dog and one pet cat in the Child Development Home. Heather is available for care Monday through Friday from 7am to 5:30pm. Heather does not provide transportation for families in her care.

2. Identify Observed Strengths Of The Program

The home has dedicated spaces which are furnished with children's furniture, toys, books, and cribs. There are toys and

objects which encourage children to develop large and small motor skills. The provider follows a structured routine which children can predict their environment and activities. The children have group activities, free-play, and access to media. There is a fenced backyard. The backyard is furnished with playground equipment encouraging large and small motor skill development. Heather has completed her required trainings as reviewed by the Registration Unit. Heather has completed Safe Sleep training; this worker reviewed the policy with her. Heather will implement the practice when she has children 12 months or younger in her care. Heather uses processing behavior choices, "calm corner", and redirection as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Heather's care will receive regular meals and snacks as appropriate. Heather participates with the Food Program. Heather's provider file and individual child's files are complete, organized, and easily accessible.

3. Identify The Aspects That Fall Below The Standard

110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.

1.The Emergency Preparedness Plan needs to be updated and easily accessible. This worker has emailed a fillable Emergency Preparedness Plan template to use. Your CCR&R Worker can assist with this update if needed.
Have procedures in place for the following:
• Evacuation to safely leave the facility
• Relocation to a common, safe location after evacuation
• Shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
• Lock down protocol to protect children and providers from an external situation
• Communication plan and plans for reunification with families
• Plans for the continuity of operations
• Procedures to address the needs of individual children, including those with functional or access needs

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.
