CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Noelle is in the process of becoming a registered child care provider with the state of Iowa. Noelle has worked with children since she was 16 years old and has previous work experience in a daycare center. Noelle is becoming registered so she can stay at home with her infant. Noelle will be accepting children aged four months and up. Noelle will only take school and children in the summer months. Noelle will be available for care 7:30 a.m. - 5:00 p.m. Mondays through Fridays. Noelle plans on providing a play based learning environment for children with small moments of structure intertwined to assist in children's learning. Noelle will be including crafts, reading/stories and music activities in her daily routines with children.

2. Identify Observed Strengths Of The Program

Noelle believes her greatest strength in working with kids is her high level of patience. Noelle also feels she does well with handling children's emotions. Noelle appears to be extremely organized and is already utilizing a binder to keep all child care required paperwork. Noelle's child care space is welcoming and very child friendly. Noelle plans on being a participant in the CACFP food program for child care providers.

3. Identify The Aspects That Fall Below The Standard

None noted - fully compliant at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
