CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category A provider Amanda Wunderlich on 9/4/2026. This was Amanda's first compliance visit since becoming registered. She has been involved with child care for one year. Amanda is using the main floor only of her 2 story home. Her primary space includes an open living room/dining room. She had 6 children present during our visit and cares for a total of 9 at this time. (Several of the children are part time.) Amanda currently has no HHS-approved substitutes or assistants. She has one dog and has a current vet statement on file. Amanda uses either her open side yard or a local park for her outside play areas. She is due to renew her registration effective 10/31/2027.

2. Identify Observed Strengths Of The Program

Amanda works well with CCR&R and other local resources. She's done a good job in maintaining all of her compliance items since becoming registered. Amanda describes her strengths as patience, being comfortable with the children, and having good energy to match the kids and keep things active. Her curriculum is mostly free play at this time. She mixes in activities and keeps a flexible schedule. Her group is very young at this time, so her activities are age appropriate. They have regular outside time and like to walk to a nearby park.

3. Identify The Aspects That Fall Below The Standard

Amanda is in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Amanda was in compliance having a plan consistent with her current operation.

I encourage Amanda to continue working with Kathy Lloyd from Child Care Resource and Referral with any ongoing compliance or training needs.
Kathy can be reached at: (319) 231-9405

Amanda had one child under 12 months of age in care during our visit who was awake. We reviewed safe infant sleeping policies.
