Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 10/18/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"a" The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)"b"(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

Findings:

An annual compliance check was completed on 10/18/23 and the following was out of compliance:

441 IAC 110.8(1)“a” The number for each child’s parent, a responsible person who can be reached when the parent cannot, and the child’s physician shall be written on paper and readily accessible by the telephone. All travel vehicles must have a paper copy of emergency parent contact information.
Betty did not have the written list of emergency contacts and she also needs this in her vehicle.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:
evacuation to safely leave the facility
relocation to a common, safe location after the evacuation
shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
lock down protocol to protect children and providers from an external situation
communication plan and plans for reunification with families
continuity of operations plans
Procedures to address the needs of individual children, including those with functional or access needs
Betty could not locate her emergency preparedness plan.

441 IAC 110.9(1)“b”(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care.
Betty could not locate this.

Suggestions/Recommendations:

Betty needs to have the number for each child’s parent, a responsible person who can be reached when the parent cannot, and the child’s physician written on paper and readily accessible by the telephone.
Betty also needs a paper copy of emergency parent contact information in her vehicle she uses to transport children.

Betty needs to locate her emergency preparedness plan or develop a new one. She needs to send pictorial verification once obtained.

Betty needs to try to locate the documentation from the Department confirming record checks were completed and make sure to keep the one sent to her at the time of the next review. l

Corrective Action Required:

A re-check is not needed at this time. Corrections need to be made by 11/17/23 and will be reviewed at the next annual compliance check.

I encourage you to work with Black Hawk County Child Care Resource and Referral at 319 233-0804 with any ongoing compliance or training needs.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.
