Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 10/12/2017. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7 **Provider Requirements**

441 IAC 110.8 Standards. Conditions in the home are safe, sanitary, and free of hazards.

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)“a” The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(1)“d” Approved safety gates at stairways and doors shall be provided and used as needed.

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(1)“n” Providers shall inform parents of the presence of any pet in the home.

1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal’s routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).
2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.
3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.
4. All animal waste shall be immediately removed from the children’s areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.
5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(1)“ p” The provider shall have written policies regarding the care of mildly ill children and exclusion of children due to illness and shall inform parents of these policies.

441 IAC 110.8(1)“ q” The provider shall have written policy and procedures for responding to health-related emergencies

441 IAC 110.8(1)“ r” The certificate of registration shall be displayed in a conspicuous place.

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)“ a” All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

441 IAC 110.8(3)“ b” A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.8(3)“ c” Medications shall be given only with the parent’s or doctor’s written authorization. Each prescribed medication shall be accompanied by a physician’s or pharmacist’s direction. Both nonprescription and prescription medications shall be in the original container with directions intact and labeled with the child’s name. All medications shall be stored properly and, when refrigeration is required, shall be stored in a separate, covered container so as to prevent contamination of food or other medications. All medications shall be stored so they are inaccessible to children. Any medication administered to a child shall be recorded, and the record shall indicate the name of the medication, the date and time of administration, and the amount given

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.8(5) **Safe Sleep**

441 IAC 110.8(5) "a" The provider shall follow safe sleep practices as recommended by the American Academy of Pediatrics for infants under the age of one.

- a. Infants shall always be placed on their back for sleep.
- b. Infants shall be placed on a firm mattress with a tight fitted sheet that meets Consumer Product Safety Commission federal standards.
- c. Infants shall not be allowed to sleep on a bed, sofa, air mattress or other soft surface. No child shall be allowed to sleep in an infant seat, car seat, swing, bouncy seat, or items not designed for sleeping.
- d. No toys, soft objects, stuffed animals, pillows, bumper pads, blankets, or loose bedding shall be allowed in the sleeping area with the infant.

- e. No co-sleeping shall be allowed.
- f. Sleeping infants shall be actively observed by sight and sound.
- g. If an alternate sleeping position is needed, a signed physician authorization with statement of medical reason is required.

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(1)“ a” A physician’s examination report for the provider and all members of the provider’s household over the age of 12 . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to initial registration; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years. All children residing in the household that are 12 years of age or younger must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

441 IAC 110.9(1)“ b” (1) Certificates or other documentation from the department verifying the following:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa’s Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years’ training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(1)“ b”(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care.

441 IAC 110.9(4) Children’s Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a. Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
- b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child’s regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c. A signed medical consent from the parent authorizing emergency treatment.
- d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 1. The date of the physical examination shall not be more than 12 months before the child’s first day of attendance at the child development home.
 2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
 3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
 4. The examination report or statement of health status shall be on file before the child’s first day of care

- e. A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
- f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
- g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
- h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
- i. A list that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
- j. Written permission from the parent for the child to attend activities away from the child development home. The permission shall include:
 1. Times of departure and arrival.
 2. Destination.
 3. Persons who will be responsible for the child
- k. Injury report forms documenting injuries requiring first aid or medical care
- l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

LaVaysha needs to update her emergency contact numbers for her children enrolled in her daycare.

LaVaysha needs to obtain a safety barrier for her staircase.

LaVaysha needs to check her smoke detectors monthly and document when this occurs.

LaVaysha needs to show documentation of a current physical for her one dog on the Pet Health Examination Veterinary Health Certificate form.

LaVaysha needs to show documentation of her procedures in caring for a child who becomes sick while in her care; children that are excluded from her care due to pre-existing health conditions and how she would handle a daycare child who experiences a health-related emergency while in her care.

LaVaysha needs to display her certificate of registration in a prominent place in her home.

LaVaysha needs to remove room deoderizer from her living room; place a child lock on her kitchen sink; place a child lock on her bathroom sink cabinet; and move items in bathroom above the toilet to a child locked area.

LaVaysha needs to add a bottle of water to her first aid supplies.

LaVaysha needs to remove cough medicine from her living room area and place in a child inaccessible area.

LaVaysha needs to complete and post her emergency plans for fire and tornado next to her primary and secondary exits. These plans will include brief written descriptions of her procedures in these areas to also include flood/evacuation and show clear routes on plans for exits.

LaVaysha needs to practice her actual tornado and fire drills with her daycare children and document when this is completed.

LaVaysha needs to complete and show documentation of her Emergency Preparedness Plan. A template can be downloaded to assist with this plan from iowaccrr.org

LaVaysha needs to place a tight-fitted sheet on her Pack-N-Play mattress.

LaVaysha needs to show documentation of a past physical and immunization record for LaKyla and Ryan and fill out a

school-aged health status form for both of them. LaVaysha needs to show documentation of a current physical and immunization record for JaNoa. LaVaysha needs to show documentation of a current physical for herself on the Child Care Provider Physical Examination Report form.

LaVaysha needs to show documentation of current course completion for First Aid/CPR.
