Dear Child Care Provider:

This letter is in regards to the follow up at your residence in which you are seeking child development home registration conducted on 09/29/2020. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

**441 IAC 110.7**                      **Provider Requirements**

441 IAC 110.8                      Standards. Conditions in the home are safe, sanitary, and free of hazards.

**441 IAC 110.8(1)**                      **Facility Requirements**

441 IAC 110.8(1)“h”                      The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

**441 IAC 110.8(4)**                      **Emergency Plans**

441 IAC 110.8(4) “b”                      The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

**Findings:**

Amanda needs to place a smoke detector in her living room area.

Amanda needs to complete and show documentation of her Emergency Preparedness Plan.

On 9/29/20 Chad Reckling, SW II conducted a follow up visit to the childcare home. The provider had addressed all non-compliance items noted above. The provider is now in full compliance with all childcare rules and regulations.

**Suggestions/Recommendations:****Corrective Action Required:**

No further action is required.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (319) 208-5521/creckli@dhs.state.ia.us if you have any questions regarding this letter.
