☒ All Ages

1. Basic Overview

Halimo Hussien has been a registered provider since Aprill of 2025. Halimo is currently a category "A" Child Development Home Provider. This category allows the provider to have 6 preschool children with an additional 2 school aged children in care at one time. Halimo does not currently have any families on her roster. Halimo does not have an assistant or substitute for her program. There are no pets in the Child Development Home. Halimo is available 24 hours a day 7 days a week to provide care for families. Halimo does not provide transportation for families in her care.

2. Identify Observed Strengths Of The Program

Halimo has completed her required trainings as reviewed by the Registration Unit. Halimo has completed Safe Sleep

CHILD CARE ANNUAL EVALUATION

training; this worker reviewed the policy with her. Halimo will implement the practice when she has children 12 months or younger in her care. Halimo uses redirection and removal of privileges as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Halimo's care receive regular meals and snacks as appropriate. There is an outside area the children in care can access when the weather allows. Halimo's availability for care allows her to care for families with non-traditional scheduling needs.

3. Identify The Aspects That Fall Below The Standard

110.8 (3) a : All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child.
110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.

1. Functional child locks need to be installed on any cabinets containing cleaning materials reachable by children.

2. 1. The Emergency Preparedness Plan needs to be updated and easily accessible. This worker has made a referral to your CCR&R Worker.
Have procedures in place for the following:
• Evacuation to safely leave the facility
• Relocation to a common, safe location after evacuation
• Shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
• Lock down protocol to protect children and providers from an external situation
• Communication plan and plans for reunification with families
• Plans for the continuity of operations
• Procedures to address the needs of individual children, including those with functional or access needs

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.

5. Special Notes/recommendations

I encourage you to work with your Child Resource and Referral Worker (Heather Sheesley 515-360-7308) with any compliance or training efforts.

The above corrections need to be completed by 9/16/2026 unless otherwise noted and will be reviewed on your next annual compliance check.

Email a completed copy of the Emergency Preparedness Plan to this worker within 30 days of receiving this letter.

If you have any questions regarding this letter, please contact me at 515-601-9469 or jake.aringdale@hhs.iowa.gov.
