CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Kelly Purviance on 9/25/2026. Kelly has been involved in child care for 28 years. She continues using the main floor only of her slab, two story home. Her primary space includes a large, open living room/dining room/kitchen. She also has a bedroom available for napping. Kelly had 5 children present and currently cares for a total of 8. She has one HHS-approved substitute/assistant. Kelly has a well maintained, fenced back yard for her outside play area. She has 2 dogs and one cat, all with current vet statements on file. Kelly is due to renew her registration effective 7/31/2027.

2. Identify Observed Strengths Of The Program

Kelly describes her strengths as having skills in "detail management", multitasking, organization, and loves cooking good meals for the kids. She keeps her numbers manageable allowing her to provide good attention to the children. Her curriculum includes lots of free play mixed with activities that include playdough, coloring, and games. She likes to rotate the toys and activities to keep things fresh for the children. They have lots of outside time, especially in the summer. Kelly participates in the Food Program to enhance the nutrition of her meals and snacks.

3. Identify The Aspects That Fall Below The Standard

110.9(3) : An individual file is maintained for each substitute and contains:
110.9 (3) c : Certification of two hours of approved training relating to identification and reporting of child abuse within three months of employment.
- Substitute William's Mandatory Reporter training recently expired and needs to be renewed. Kelly needs to add a copy of this to her file by 11/30/2026 and it will be reviewed during her next visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Kelly was in compliance having a plan consistent with her current operation.

I encourage Kelly to work with Kathy Lloyd from Child Care Resource and Referral with any ongoing compliance or training needs.
Kathy can be reached at: (319) 231-9405

Kelly had one infant under 12 months of age in care during our visit who was awake during our visit. She has sleep sacks for napping and we reviewed safe infant sleeping policies.
