**3. Identify The Aspects That Fall Below The Standard**

110.8 (3) a : All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**

1. You were unable to locate your mandatory reporter training and CPR training. CCR&R can assist in locating trainings.
2. Emergency preparedness plan needs to be completed. This plan addresses evacuation, shelter in place, and lock down procedures. I would encourage you to work with CCR&R as indicated below in suggestions.
3. Please obtain an updated physical. This needs completed on the state required form and updated every 3 years.
4. All cleaning supplies need moved up out of the reach of daycare children.
5. You were unable to locate your first aid kit. Please make this a priority.
6. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

**5. Special Notes/recommendations**

I encourage you to continue working with Heather Sheesley from Child Care Resource and Referral for any ongoing compliance or training needs. Heather can be reached at: (515) 360-7308.

Safe sleep regulations were reviewed and will be complied with.
