Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 05/25/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(1)"b" (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:

1. Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.

1305 E. Walnut Street, Des Moines, IA 50319-0114

3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

441 IAC 110.15 SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "C"

441 IAC 110.15(1)" a" No more than 14 children not attending kindergarten or a higher grade level shall be present at any one time

Findings:

441 IAC 110.15(1)“a” No more than 14 children not attending kindergarten or a higher grade level shall be present at any one time

**Upon entry to the home, there was only one provider present with 14 children. Mrianda reported to Compliance staff that Brenda would be back soon. Within five minutes of compliance arrival, Brenda returned to the home with at 15th child. Brenda reported that her assistant had been in the home for her to leave, but then the assistant also head to leave due to an appointment. This placed one provider in the home with 14 children. This is over the allowed amount of children in the care of one provider. The limit is 8 preschool aged children at any one time for a C home.

441 IAC 110.9(1)“b” (1) Certificates
Iowa’s Mandatory Child Abuse Reporter Training
First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

**Provider could not locate mandatory reporter training for both providers and the assistant.

**Provider and co-provider's First Aid/CPR expired in March 2023.

Suggestions/Recommendations:

Mandatory Reporter training and First Aid/Cpr certificate information is all needed by July 25, 2023. These certificates can be sent to compliance through email at sburris@dhs.state.ia.us or by picture text to 712-435-0576.

Providers need to ensure that one provider is not left in the home with more than 8 children at one time. A substitute is able to take over and help care for children in your C2 home. An assistant is just there to lend a hand. You can change your application to have your assistant become a substitute so that you have the needed coverage in your childcare home.

Corrective Action Required:

If you have any questions please contact your CCR&R representative or compliance staff.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-435-0576 sburris@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Stacy Burris
