CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance check with Registered Child Development Home Category B provider Donna Willadsen on 10/22/2025. Donna has been involved in child care for 50 years. She continues using the main floor only of her 2 story home. Donna has 3 HHS-approved substitute/assistants on her registration. Her registration is not due for renewal until 4/2027. Donna has a fenced section of her back yard for an outside play area, and also has a park just across the street that could be used. There were 5 children in care during the time of our visit.

2. Identify Observed Strengths Of The Program

One of Donna's substitute/assistants is present almost full time and adds additional attention to the children. Donna has an open series of connected rooms for the children that are pretty clutter free. The children I saw during my visit knew the routine and were engaged in free play. Donna describes a mostly free play curriculum mixed regularly with arts, crafts, and coloring activities. The children have regular outside time when weather permits. Donna participates with the Food Program to enhance the nutrition of her meals and snacks.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

- Donna needs to obtain a current physician signed statement of health form for household member Craig to have on file. This needs to be completed using the State form she has a copy of and needs to be renewed every 3 years. This needs to be in place by 1/15/2026 and will be reviewed during her next visit. (Donna indicated Craig already has an appointment scheduled for his renewed physical.)

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

I encourage Donna to work with Shelby Hageman from Child Care Resource and Referral with any ongoing compliance or training needs.
Shelby can be reached at: (319) 433-7760

Donna has no infants under 12 months of age in care at this time but is expecting one this coming winter. We reviewed safe infant sleeping for future reference.
