CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Jennifer Reha is a CDH Category C1 provider, living in Ankeny. She has been a registered daycare provider since 2010. Jennifer lives in a 2 story house but only uses the basement area for her child care operation. Her basement is a walk out.

2. Identify Observed Strengths Of The Program

Jennifer Reha was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. I observed snack time. The children work on colors, counting, their ABC's, calendar time and playing outside. Jennifer has a large fenced in backyard. Jennifer uses redirection for discipline and provides the children a safe space, if they become upset. We reviewed all safe sleep regulatiosn and she has pack and plays for infants. Jennifer has completed all of the training to be a category C1 child care provider.

3. Identify The Aspects That Fall Below The Standard
