CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Sprouts Preschool and Daycare is run by mother and daughter team Kim McDonald and Abbi Grace. This is a Category C2 home that can provide services to up to 16 children. Kim McDonald has been providing childcare services for over 40 years. Abbi Grace has an Iowa teaching license with endorsements in reading and early childhood. Abbi taught preschool from 2014 to 2021 before joining her mother and expanding Sprouts availability for children's services. When compliance staff arrived to visit, there were 7 children in care. They were out on the property for a nature hike with Abbi. When compliance staff saw the group, they all had rain boots and slickers on. The rain had stopped, but they were dressed appropriately for the conditions. The program enrolls children when they are 2 1/2 to 3 yrs or toilet trained. They provide a day of free play and child led activities mixed with a few specific activities. After the nature walk, the children were using water colors to paint black and white pictures of themselves. Abbi said it was Andy Warhol inspired.

2. Identify Observed Strengths Of The Program

Sprouts Preschool and Daycare is a level 1 IQ4K rated program.

Both providers interacted with the children in a nurturing manner by answering questions and helping children address their needs.

It was close to lunchtime and Kim started lunch for today. The programs works with the Food Program and today's menu was spaghetti, chicken, peas and pears.

The Sprouts program has multiple playing options inside and outside of the home. They have a new mud kitchen and the children love to play there. Kim said they never go home clean as they are outside as much as possible.

There is a pool on site of this childcare, but it has a non-climbable fence surrounding it and the door is a key lock.
