CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Lorna Morano is a CDH Category C1 provider, living in Des Moines. She has been a registered daycare provider since 2010. Lorna Morano lives in a ranch style house but only uses the main floor for her child care operation. Lorna currently watches 2 school aged children on the weekends.

2. Identify Observed Strengths Of The Program

Lorna Morano was organized for our compliance check. No children were present during our visit. Lorna only watches 2 children on the weekends, ages 3rd grade and 4th grade. Lorna works a full-time job during the weekdays. Lorna said the daycare children like to play with toys, play outside, go to trips to the mall and water pads and go to the movies. Lorna uses timeouts for discipline. We reviewed safe sleep regulations, but Lorna does not provide care to infants.

3. Identify The Aspects That Fall Below The Standard
