Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 05/10/2018. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

**441 IAC 110.7**                      **Provider Requirements**

441 IAC 110.8                      Standards. Conditions in the home are safe, sanitary, and free of hazards.

**441 IAC 110.8(1)**                      **Facility Requirements**

441 IAC 110.8(1)“a”                      The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(1)“b”                      Electrical wiring shall be maintained, and all accessible electrical outlets shall be tamper-resistant outlets or shall be safely capped. Electrical cords shall be properly used. Improper use includes running cords under rugs, over hooks, through door openings, or other use that has been known to be hazardous

441 IAC 110.8(1)“h”                      The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(1)“m”                      Any driver who transports children for any purpose shall have a valid driver’s license and adequate motor vehicle insurance that authorizes the driver to operate the type of vehicle being driven. Child restrain devices shall be utilized in compliance with Iowa Code 321.446.

441 IAC 110.8(1)“p”                      The provider shall have written policies regarding the care of mildly ill children and exclusion of children due to illness and shall inform parents of these policies.

**441 IAC 110.8(2)**                      **Use of Outdoor Space**

- 441 IAC 110.8(2) "a" A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.
- 441 IAC 110.8(3)** **Medications and Hazardous Materials**
- 441 IAC 110.8(3)"a" All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child
- 441 IAC 110.8(4)** **Emergency Plans**
- 441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.
- 441 IAC 110.8(4) "b" The provider must have procedures in place for the following:
1. evacuation to safely leave the facility
  2. relocation to a common, safe location after the evacuation
  3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
  4. lock down protocol to protect children and providers from an external situation
  5. communication plan and plans for reunification with families
  6. continuity of operations plans
  7. Procedures to address the needs of individual children, including those with functional or access needs
- 441 IAC 110.8(5)** **Safe Sleep**
- 441 IAC 110.8(8) Activity Program. There is an activity program and it promotes self-esteem and exploration.
- a. Activity program includes active play.
  - b. Activity program includes quiet play.
  - c. Activity program includes activities for large muscle development, such as running, climbing and riding toys.
  - d. Activity program includes activities for small muscle development, such as coloring, puzzles, finger plays and play dough.
  - e. Play equipment and materials in a safe condition, for both indoor and outdoor activities which are developmentally appropriate for the ages and number of children present.
- 441 IAC 110.9 Files
- 441 IAC 110.9(1)** **A provider file is maintained and shall contain the following:**
- 441 IAC 110.9(1)"a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"
- 441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:
- a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
  - b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult

available in case of emergency.

**c.** A signed medical consent from the parent authorizing emergency treatment.

**d.** An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

**e.** For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

**f.** For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

**g.** A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

**h.** For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

**i.** Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

**j.** Written permission from the parent for the child to attend activities away from the child development home. **k.** Injury report forms documenting injuries requiring first aid or medical care

**l.** If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.
