This center has been in operation for several years, providing childcare for children who attend Moulton Extended Learning Center. The center became licensed with DHHS in June 2019. The school has secured entrances. The center has it's own entrances. The center uses several classrooms in the school for programming. DJ King is the director of the center. Sabrina Ollie is the on site supervisor. Sabrina has worked at Moulton since 2017. She has previous child care experience working at Head Start prior to coming to Moulton.

An unannounced visit was completed on today's date. All areas subject to DHHS licensing rules were reviewed. Mandatory postings are posted at an entrance parents use. A summer schedule was posted. This week's lesson plan, STEAM week" was available for viewing. Children's belongings are kept in bins at the entrance.

Two unannounced visits were completed. DJ King assisted with reviewing children's files at the CFUM building and observing the daycare. Sabrina assisted with the rest of the administrative records and observing the daycare. The center's main program room is the cafeteria. In the summer, the center uses a few additional classrooms. Children were viewed in four program rooms, as they are divided into smaller groups age groups for programming. Children were seen playing group games, working on crafts, working with a volunteer from the Des Moines Science Center and having snack. On Wednesday afternoons, the daycare has clubs such as skateboarding, art club, garden club, sports club, breakdancing and noisemakers. Volunteers from different organizations come in to assist with club.

Children are provided breakfast, lunch and afternoon snack. Children eat their meals at a building across the street from Moulton. This building isn't licensed. Parents sign a release for this time during this time although staffing is maintained. CFUM serves breakfast and the children can go to the building across the street prior to checking into daycare for breakfast. Lunch is also served in the CFUM building. Afternoon snack is served at Moulton. Some snack menus being served don't meet CACFP requirements. This has been discussed at discussed and reviewed previously.
