CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Rosa Pogyo is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2010. Rosa has an approved sub/assistant. Rosa lives in a ranch style house and uses the whole house for her child care operation. Rosa speaks both English and Spanish.

2. Identify Observed Strengths Of The Program

Rosa Pogyo was organized for our compliance check. Six children were present during our visit, ages 1 1/2 year old to school agers. She was able to locate trainings for me and provide care the daycare children. Rosa participates in the food program. Rosa said the children play with toys, do arts and crafts and play outside. Rosa uses redirection / talking for discipline. Rosa is IQ4K level 1. We reviewed all safe sleep regulations. Rosa uses cribs for infants to sleep in. Rosa has a large backyard that is fenced in. Rosa has an aboveground pool that is fenced in with a lock and not used by daycare children.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
110.9 (3) c : Certification of two hours of approved training relating to identification and reporting of child abuse within three months of employment.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. All household pets need updated vet statements completed on the state required form and updated yearly.
2. Your subs mandatory reporter training has expired. CCR&R can help find trainings if you need assistance.
