Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 02/21/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)“ a”	The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information.

All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”.

Suggestions/Recommendations:

A recheck is not needed at this time. The below corrections need to be completed by 4/22/2024 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Katie Kytola 515-631-3551) with any compliance or training efforts.

Corrective Action Required:

1. The vehicle you transport children in needs to have a written copy of the emergency numbers for each of those children.

2. Each household member in the home needs to have an immunization record and doctor's visit note in the provider file.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at jaringd@dhs.state.ia.us/515-601-9469 if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
