1. Basic Overview

Azza Kinda is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2023. Azza Kinda lives in a ranch style house and uses the living room space for her child care operation. Azza Kinda speaks English and Arabic.

2. Identify Observed Strengths Of The Program

Azza Kinda had 2 children present during my compliance visit, age 2 years old and 6 months old. The 6 month old was asleep in a pack and play. Azza was complying with all safe sleep regulations. Azza also has 2 children who come afternoon hours. She offers 24 hour care but is not currently watching anyone overnight. Azza said the daycare children like to read, listen to music, play with toys and play outside. Azza participates in the food program. Azza uses redirection

for discipline.

3. Identify The Aspects That Fall Below The Standard

You were ubale to find your CPR card.
Emergency numbers posted for police, fire, ambulance, and poison information center.
Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
First-aid supplies are available and easily accessible in the home, outdoor play area, in any vehicle used to transport children, and on field trips.
The first-aid kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. You were unable to find your CPR card. CCR&R can assist in finding trainings if you need help.
2. Emergency numbers posted for police, fire, ambulance, and poison information center.
3. Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper
4. Your first aid kit is empty. The first-aid kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.
5. Fire and tornado drills need practiced monthly. Record of these drills need kept for inspection purposes.
6. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

5. Special Notes/recommendations

I encourage you to continue working with Heather Sheesley from Child Care Resource and Referral for any ongoing compliance or training needs. Heather can be reached at: (515) 360-7308.
