1. Basic Overview

Celeste has been providing child care since 2002 and has been registered with the state of Iowa the entire time. Celeste accepts children aged 6 weeks through five years of age. Celeste does not currently accept school agers. Celeste provides childcare Monday through Friday for first shift care. Celeste has a play based child care that includes daily circle time, table toys for small motor development, and going outside as often as possible. Celeste is hands on with the children and interacts regularly with them.

2. Identify Observed Strengths Of The Program

Celeste believes her greatest strength in working with children is her ability to keep a regular routine in place for children.

CHILD CARE ANNUAL EVALUATION

Celeste maintains her paperwork in an organized fashion. Celeste has a gentle approach with children and seems to engage with them readily. Celeste describes herself as kind, yet stern, which helps the children understand their rules and boundaries while in her care. Celeste participates in the CACFP food program for child care providers.

3. Identify The Aspects That Fall Below The Standard

Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Celeste is working on updating her emergency numbers for enrolled children.
Celeste's dog Maxwell is current on shots, however, needs an updated Pet Health Examination Veterinary Health Certificate.
Celeste needs to resume monthly drills and maintain written documentation for current year and previous year.
Celeste's husband Scott needs updated physical exam documented on form 470-5152, Child Care Provider Physical Examination Report.
Of the child files viewed, several needed their annual update (enrollment forms signed and dated again) and several need immunization certificates and physicals. Celeste will review all files and ensure they are all up to date.

Celeste will send verification of the above items to Kathy by 5/4/2026. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

Child files do not need to be sent and will be reviewed at next year's compliance visit.

5. Special Notes/recommendations

Targeted case compliance of Emergency Preparedness Plan completed. Plan remains up to date and accurate.

A complaint visit was also completed on this date and is documented in separate Complaint Report.
