CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Consolee Bintu has been a registered provider since June of 2025. Consolee is currently a category "A" Child Development Home Provider. This category allows the provider to have 6 preschool children with an additional 2 school aged children in care at one time. Consolee does not have an assistant or substitute for her program. Consolee is able to provide transportation for families in her care. Consolee's Driver's License is valid until 4/2/2031. There are no pets in the Child Development Home. Consolee is available for childcare 24 hours a day 7 days a week.

2. Identify Observed Strengths Of The Program

Consolee's home is clean and appropriate for childcare. Consolee has completed her required trainings as reviewed by the Registration Unit. Consolee has completed Safe Sleep training; this worker reviewed the policy with her and gave her an informational flyer. Caitlyn will implement the practice when she has children 12 months or younger in her care. Consolee has appropriate cribs to use with infants. Consolee uses redirection and Time Out as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Caitlyn's care will receive regular meals and snacks as appropriate.

3. Identify The Aspects That Fall Below The Standard

All travel vehicles must have a paper copy of emergency parent contact information.

1. Each child in care needs to have their individual emergency contact information written on paper and easily accessible. A copy of the individual emergency contact numbers needs to be in the vehicle used to transport children.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.
