Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 04/26/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

**441 IAC 110.8(1)** **Facility Requirements**

441 IAC 110.8(1)"a" The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(1)"n" Providers shall inform parents of the presence of any pet in the home.

**1.** Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).

**2.** Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.

**3.** Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.

**4.** All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.

**5.** No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.9 Files

**441 IAC 110.9(1)** **A provider file is maintained and shall contain the following:**

441 IAC 110.9(3) An individual file is maintained for each substitute and contains:

1. Documentation from the department confirming the record checks required under 441 IAC 110.9(1) “a” have been completed and authorizing or conditionally limiting the person’s involvement with child care.
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
4. Certification in infant and child first aid
5. Certification or other documentation that minimum health and safety training has been completed within 3 months or prior to providing substitute care, whichever occurs first.

Findings:

Per the compliance visit conducted by this worker on 4/26/2023 the following corrections described in the above policy sections need to be completed:
1. Emergency numbers for each child in care need to be written on paper in the vehicle used to transport children.
2. A current DHHS Pet Physical needs to be completed by a vet for your dog.
3. Dennie needs to have a certificate of completion for Mandatory Reporting and CPR training in her provider file.

Suggestions/Recommendations:

I encourage you to work with your Child Care Resource and Referral Worker (Kelsey Finke 515-360-7353) to make the above corrections and any other compliance or training efforts.

Corrective Action Required:

The above corrections need to be completed by 6/27/2023 and will be checked on your next compliance visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaringd@dhs.state.ia.us if you have any questions regarding this letter.
