## CHILD CARE ANNUAL EVALUATION

**1. Basic Overview**

Jessica Lang is a CDH Category B provider, living in Knoxville. She has been a registered daycare provider since 2019. Jessica Lang has one approved sub/assistant. Jessica provides care in a home that is for her childcare operation only. This is a 2 story house but she only uses the main floor for her childcare operation. Jessica provides care to children of all ages.

**2. Identify Observed Strengths Of The Program**

Jessica Lang was organized for our compliance check. At the time of my compliance visit, Jessica was outside with 7 daycare children. The children range in age 2 years old to 9 years old. She was able to locate trainings for me and provide care to the daycare children. Jessica participates in the food program. Jessica has a large side yard that is fenced in with a lot of outdoor toys. Jessica said the daycare children like to do arts and crafts, free play, dress up play, ABC's and calendar time. Jessica uses redirection for discipline. We reviewed all safe sleep regulations. Jessica has cribs for infants to sleep in but does not currently have anyone under the age of 1 year old enrolled.

**3. Identify The Aspects That Fall Below The Standard**

At the time of my compliance visit, Jessica Lang was in full compliance.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**
