CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Lacy Starits on 2/9/2026. Lacy has been involved as a Child Development Home since 8/2021 and had a background in teaching with the public schools before that. Lacy uses the basement level only of her ranch style home. She has one HHS-approved substitute/assistant. Lacy has one dog that has a current vet statement on file. She has 8 total children in care at this time, all 8 were present during my visit. Lacy has a large, open back yard she uses as her outside play area. She is due for renewal of her registration effective 7/31/2027

2. Identify Observed Strengths Of The Program

Lacy is an IQ4K level 4 provider, showing her willingness to invest in a lot of extra training and professional involvement. Lacy uses her background in teaching and her curriculum is a full pre-school style program. The children were fully engaged in learning stations during my visit, with regular rotations to the next station. The children were very familiar with the routine, and displayed great interest in the learning activities. Lacy's basement is dedicated to child care space and the children are able to work in small groups or individually with all kinds of activities. Lacy takes the children on regular field trips in the community, utilizing a local transportation service. She describes her strengths as being organized and offering her full attention to the children. I was able to observe how responsive the children are to her. Lacy participates in the Food Program to enhance the nutrition of her meals and snacks.

3. Identify The Aspects That Fall Below The Standard

Lacy was in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Lacy had an excellent plan, fully compliant and consistent with her current operation.

I encourage Lacy to continue working with Janey Schmitt from Child Care Resource and Referral with any ongoing compliance or training needs.
Janey can be reached at: (563) 286-0694

Lacy has no current infants under 12 months of age in care. We reviewed safe infant sleeping policies for future reference.
