1. Basic Overview

Frank J. Ross Boys and Girls Club - Moore is located in Moore Elementary School. The school has secured entrances. The center offers programming year round for children ages kindergarten through 5th grade. The center has a Club Room and also uses several classrooms, the cafeteria, gym and outdoor playground for programming space. Neisa Taylor is the Executive Director. Kayla Lysinger is the on site supervisor. Kayla has been with the Boys and Girls Club since March 2017.

An unannounced visit was completed on today's date. All areas subject to HHS licensing rules were reviewed. Mandatory postings are in place at the center's entrance. Schedules/lesson plans are posted in program rooms. Children's coats and backpacks are kept in lockers. Staff use walkie talkies to communicate throughout the school. There are toys and learning supplies in each classroom used by the center.

Kayla assisted with today's visit. There were three additional staff working. Ten children were present at the time of the visit. Children were observed in one of the classrooms and the gym. Staff were actively engaged with the children during the visit.

The center serves snack and dinner during the school year. Menus were available. During the summer, breakfast and morning snack are also served. The center gets snacks and meals from the Des Moines Public Schools.

The center uses the school's playground. School staff maintain the playground. There is rubber tile for fall zone surfacing for climbing structures. There is also grass areas and concrete. The center completes monthly playground checks.

CHILD CARE CENTER ANNUAL EVALUATION

The Boys and Girls Clubs owns their own vehicles that are used for field trips.

2. Identify Observed Strengths of the program

Boys and Girls Club has been in operation in this school for many years. The center has spacious programming space at the school. The center serves snack and dinner daily. Children are offered large motor play on a daily basis through the use of the gym and playground.

3. Identify the aspects that fall below the standard

109.9(1)d: All files contain a pre-employment physical exam report completed within six months prior to hire and at least every three years. Physical exams shall be documented on form 470-5152, Child Care Provider Physical Examination Report.
One staff had an overdue physical.
This staff has since had their physical completed.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA

5. Special Notes/Recommendations

The center has a full license.

*Note: If you are the Child Care Center Director and you feel something is unclear or unjustly cited, please contact me (phone 515-362-7823; email melinda.larson@hhs.iowa.gov) so that we may discuss the issue. If necessary, I can make a notation in your record. You may also send a letter that will be included in your licensing file noting any disagreement you may have with this report. If you have the need for any additional information discussed during my visit, please contact me and I will forward the information to you. Thank you.

*Note: If you are a member of the general public, there may be additional information contained in the public file. You may contact the DHS Licensing Consultant to inquire.

Date: 03/02/2026

HHS Licensing Consultant: Melinda Larson, Child Care Licensing Consultant

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Care License. Please take steps necessary to completely address each of the violations noted above.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at **https://iowaccrr.org**.
