CHILD CARE ANNUAL EVALUATION

1. Basic Overview

LaTanya has previously been a registered child care provider with the state of Iowa. LaTanya is returning to registered child care primarily because her children have their own children now who require child care. LaTanya wants her grandchildren to have a safe space to grow. LaTanya loves children and describes herself as very 'hands on' with the kids and involved. LaTanya will accept children aged two years old through school agers. LaTanya is currently working first shift and therefore childcare will be offered second shift Monday through Friday and weekends. LaTanya would consider third shift care if it was a good fit with her own schedule.

2. Identify Observed Strengths Of The Program

LaTanya describes herself as a very organized individual. This worker observed LaTanya utilizing binders to keep her paperwork organized. LaTanya's home is also organized and safe for children. LaTanya stated she is very vocal and observant and gets along well with people. LaTanya has communicated well with both Lori Mueller of Child Care Resource and Referral and this worker while preparing to be registered again.

3. Identify The Aspects That Fall Below The Standard
