Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 08/01/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(2) **Use of Outdoor Space**

441 IAC 110.8(2) "a" A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

441 IAC 110.8(2) "b" When there is a swimming or wading pool on the premises:

1. A wading pool shall be drained daily and shall be inaccessible to children when it is not in use.

2. An aboveground or in-ground swimming pool that is not fenced shall be covered whenever the pool is not in use. The cover shall meet or exceed the ASTM International (formerly known as the American Society for Testing and Materials) specification intended to reduce the risk of drowning by inhibiting access to the water by children under five years of age.

3. An uncovered aboveground swimming pool shall be enclosed with an approved fence that is non-climbable and has a minimum height of four feet.

4. An uncovered in-ground swimming pool shall be enclosed with a fence that is non-climbable and is at least four feet high and flush with the ground.

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)"a" All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)" b"(2) Documentation from the department confirming the record checks required under 441 IAC

110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

441 IAC 110.8(2) “a” A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

There were various electrical cords that were plugged in strewn around the backyard play area.

441 IAC 110.8(2) “b” When there is a swimming or wading pool on the premises:
1. A wading pool shall be drained daily and shall be inaccessible to children when it is not in use.
2. An aboveground or in-ground swimming pool that is not fenced shall be covered whenever the pool is not in use. The cover shall meet or exceed the ASTM International (formerly known as the American Society for Testing and Materials) specification intended to reduce the risk of drowning by inhibiting access to the water by children under five years of age.
3. An uncovered aboveground swimming pool shall be enclosed with an approved fence that is non-climbable and has a minimum height of four feet.

There was a damaged wading pool that had standing water in it.
The above ground pool had neither an approved cover nor an approved fence.

441 IAC 110.8(3)“a” All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child.

There was a container of ant poison that was on the kitchen counter. The provider removed it when asked.

441 IAC 110.9(1)“b”(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with childcare.

The provider could not locate documentation of completed record checks.

441 IAC 110.9(4) Children’s files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
a. Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
b. Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child’s regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
c. A signed medical consent from the parent authorizing emergency treatment.
d. For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child’s first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child’s first day.
e. For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
f. For each school-age child, record of a physical exam completed at the time of school enrollment or since.
g. A signed and dated immunization certificate provided by the state Department of Public Health.
h. Written emergency plans for children with allergies. Must accompany child if away from facility.
i. Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
j. Written permission from the parent(s) for their child to attend activities away from the child development home.

A couple children need updated physical examinations and immunization records in their files.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 9/1/24 and will be reviewed at the next annual compliance check.

I encourage you to work with Amber Kollbaum from Child Care Resource and Referral with any ongoing compliance or training needs.

Amber can be reached at (712) 541-3498

Corrective Action Required:

Please remove all electrical cords from the backyard that are accessible by the children.

Please remove or empty the damaged wading pool in the backyard.

Please cover the swimming pool with and ASTM approved cover or install a non-climbable fence that is at least four feet high by 8/9/24 and a pic of the fence or cover needs to be emailed to djaehrl@dhs.state.ia.us. Otherwise, the pool should be taken down immediately. DHHS will monitor compliance with unannounced drop in visits.

Please make sure all medicines and poisonous, toxic, or otherwise unsafe materials are inaccessible by the children.

Please provide documentation of completed record checks for all household members.

Please update the children's files as needed.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at djaehrl@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Dave Jaehrling
