CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Rebecca Ausman is a CDH Category B provider, living in Pella. She has been a registered daycare provider since 2008. Rebecca lives in a 2 story house but only uses the basement area for her child care operation. Her basement is fully finished and has an egress window with permanent steps leading to it. Rebecca provides care to children of all ages.

2. Identify Observed Strengths Of The Program

Rebecca Ausman was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. Rebecca participates in the food program. The children participate in sensory play, fine motor skills, music, they color, count, work on their ABC's and go on walks. Rebecca has a large fenced in backyard. Rebecca has completed all of the training to be a category B child care provider. Rebecca is level 4 IQ4K.

3. Identify The Aspects That Fall Below The Standard

At the time of my compliance visit, Rebecca Ausman was in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
