CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a change of address pre-inspection visit with Registered Child Development Home Category C-1 provider Jami McMurray on 6/30/2026. Jami's operation was reviewed for the year with full compliance visit on 1/6/2026, so this visit focused primarily on the new address and the health/safety standards necessary to approve the pre-inspection. Jami is using the main floor only of the 2 story home they moved into. The main floor offers good open space with connected kitchen/living room/dining room. She also has 2 bedrooms designated for child care only on the main floor. There were no children present during our visit, she is currently caring for a total of 9 children. Jami will be using the public park right next to their home as her outside play area. She continues with one HHS-approved assistant. This change of address application is also being used by the Registration Unit as her registration renewal application.

2. Identify Observed Strengths Of The Program

Jami's new location offers better space and set up than her previous home. She is working regularly with Child Care Resource and Referral trying to become Childnet and IQ4K certified. Jami's general strengths and curriculum were reviewed with her earlier report from the 1/6/2026 visit and remain unchanged.

3. Identify The Aspects That Fall Below The Standard

I have approved the change of address pre-inspection visit effective 6/30/2026.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was completed. Jami has developed a new plan for her change of address and is in compliance.

I encourage Jami to continue working with Janey Schmitt from Child Care Resource and Referral with any ongoing compliance or training needs.
Janey can be reached at: (563) 286-0694

Jami currently has no infants under 12 months of age in care. We reviewed safe infant sleeping policies.

HHS Child Development
Home Compliance Worker: Earl Crow Date: 6/30/2026

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at
