I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Studebaker Boys and Girls Club opened in June 2021. This center is located in Studebaker Elementary School. The center was built for the purpose of the daycare and has it's own space and playground. They do use some of the school's areas, such as the cafeteria and gym. They provide child care for children that attend this school as well as some children that attend schools in close proximity. The child care center space has several classrooms designated for various activities: game room, art room/STEM room, tech room, quiet room/homework room. Greg Grant is the executive director of Boys & Girls Clubs. Jack Curley is the on site supervisor. Madi Gregory is the lead staff for Studebaker.

An unannounced visit was completed on today's date. All areas subject to DHHS licensing rules were reviewed. Mandatory postings are in place. Schedules/lesson plans are posted in program rooms. The center has furnishings, toys and supplies in the rooms used for programming. Staff use walkie talkies to communicate.

Jack Curley and Madi Gregory assisted with the visit today. Nine staff were working today. Children are divided into four teams at the center. Forty children were present today. Children were observed outdoors, in the gym and in the Boys and Girls Club rooms. All rooms were at or above ratio requirements. Children were playing large motor games in the gym. Children were doing art projects, playing games, playing on iPads and watching videos in the club room. Staff were engaged with the children and supporting the children with their activities

During the summer, breakfast and lunch are served at the school through a program. Children can bring their own lunch if they choose to. The center serves afternoon snack. During the school year, the center serves afternoon snack and dinner.

The center uses the school's playground. School staff maintain the playground. There is rubber tile for fall zone surfacing for climbing structures. There is also grass areas and concrete. The center completes monthly playground checks.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

The center has a spacious programming space for the children. The center has several program rooms. Children are served snack and dinner at the center. Large motor play activities are included in daily programming through the use of the playground and gym. The center has a good supply of play materials and furnishings.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

There were no licensing violations cited during today's visit.

V. SPECIAL NOTES/RECOMMENDATIONS:

The center has a full license.

*Note: If you are the Child Care Center Director and you feel something is unclear or unjustly cited, please contact your DHS Licensing Consultant to discuss the issue. The child care director may also send a response which will be placed in the licensing file.
