1. Basic Overview

Adduwa Awad has been a registered provider since August of 2017. Adduwa is currently a category "A" Child Development Home Provider. This category allows Adduwa to have 6 preschool children with an additional 2 school aged children in care at one time. Adduwa is available 24 hours a day 7 days a week to provide care. There are no pets in the home. Adduwa does not provide transportation for families in her care. Adduwa speaks Kunama. Adduwa does not have any families on her roster at this time. Adduwa does not have a substitute or assistant for her program.

2. Identify Observed Strengths Of The Program

Adduwa has completed her required trainings as reviewed by the Registration Unit. Adduwa's care areas are clean and

appropriate for childcare. There is an outdoor space the children can access when the weather allows. Adduwa has completed Safe Sleep training, and this worker reviewed the policy with Adduwa. Adduwa will implement the practice when she has children 12 months or younger in her care. Adduwa uses redirection as her primary behavioral intervention when needed. Corporal punishment is not practiced in the Child Development Home. Children in Adduwa's care receive regular meals and snacks as appropriate. Adduwa has a provider file and there are no children files as she is not watching children at this time.
