Halima Issack participated with her pre-inspection to become a category "A" Child Development Home Provider on 11/6/2025. She is now approved to be an "A" provider effective 11/6/2025. This allows Halima to have 6 preschool children with an additional 2 school aged children at one time. There are no pets in the Child Development Home. Halima does not transport children. Halima does not have a substitute or an assistant. Halima is available 24 hours 7 days a week to care for children.

2. Identify Observed Strengths Of The Program

Halima completed all required trainings as reviewed by the Registration Unit. Halima has completed Safe Sleep training and communicated she would implement the policy with any children younger than 12 months. Children in Halima's care would receive regular meals and snacks as appropriate. Halima uses removal of privileges and redirection as her behavioral interventions.
