Suggestions/Recommendations:

Alondra needs to print out and post her emergency numbers for police, fire, ambulance, and the poison information center.
She also needs to print out the list she has for number for each child’s parent, a responsible person who can be reached when the parent cannot, and the child’s physician. "This needs to be readily accessible by the telephone. - She needs to send me pictorial verification when this is completed.

Alondra needs to document her monthly testing of her smoke detectors.

Alondra needs to ensure all chemicals are secured from access by the children. She did move a few items while this worker was present.

Alondra and Josh need to obtain a physical on the approved HHS form. Two of the children in the home also need a physical record.

Corrective Action Required:

A re-check is not needed at this time. Corrections need to be made by 10/13/23 and will be reviewed at the next annual compliance check. Please send pictorial verification of the emergency numbers posted and the printed list of children, parents, emergency contacts and Dr. information.
