CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Sayda Archila became a registered provider in February 2025. Sayda is currently a category "A" Child Development Home Provider. Sayda is allowed to have 6 preschool children and 2 additional school aged children for a total of 8 children in care at one time. Sayda accepts all ages of children in her care. Sayda does not have a substitute/assistant for her program. Sayda does not transport for families in her care. There are no pets in the Child Development Home. There is a fenced outdoor area in the backyard with playground equipment which encourages large and small motor skill development. Sayda is available for care Monday through Saturday 24 hours a day.

2. Identify Observed Strengths Of The Program

Sayda is current with her required trainings. Sayda's care area in the home is downstairs, the area is appropriate for childcare. The area is furnished with child size furniture and has educational posters on the walls. Sayda has completed Safe Sleep training and implements the practice when she has children 12 months or younger. Sayda processes behaviors, proximity, and redirection as her primary behavioral interventions. Children in Sayda's care receive regular meals and snacks as appropriate. Sayda's individual child files are complete, organized, and easily accessible, as well as her provider file.

3. Identify The Aspects That Fall Below The Standard

Sayda met all expectations of the yearly compliance check.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.

5. Special Notes/recommendations

I encourage you to work with your Child Care Resource and Referral Worker (Roxana Sixtos 515-202-1310) with any training or compliance efforts.

The Emergency Preparedness Plan meets Targeted Expectations.
