## CHILD CARE ANNUAL EVALUATION

**1. Basic Overview**

Susy Leon is a CDH Category C2 provider, living in Des Moines. Susy has an approved co-provider and one approved sub/assistant. She has been a registered daycare provider since 2016. Susy lives in a split level house and only uses the main floor area for her child care operation. Susy speaks English and Spanish.

**2. Identify Observed Strengths Of The Program**

Susy Leon was organized for our compliance check. At the time of my compliance visit, Susy had 4 daycare children present ranging in ages 19 months to 4 years old. She was able to locate trainings for me and provide care the daycare children. Susy's co-provider was also present. Susy uses redirection and sits and talks to the children for discipline. She said the daycare children like to play with Legos, toys, arts and crafts and dance. They also play outside in the backyard. Susy offers 24 hour care but is currently watching daycare children until 11pm. We reviewed all safe sleep regulations. Susy has cribs for infants to sleep in.

**3. Identify The Aspects That Fall Below The Standard**

At the time of my compliance visit, Susy Leon was in full compliance.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**
