I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Hickman - KinderCare opened in March 2018. The center is located in a single standing building that has a secured entrance. This center provides child care services for children ranging from infancy through school age. April Dandurand is the director. She began in this role in March 2020. April has been employed with KinderCare since 2014. Melissa Hurley is the assistant director. Melissa has been in this role since September 2022.

An unannounced visit was completed on today's date. All areas subject to DHHS licensing rules were reviewed. Mandatory postings are in place in the center's entrance. Classroom schedules and lesson plans are posted by individual classrooms. Classrooms are well supplied with age appropriate furnishings, supplies and toys. Older children's classrooms have well defined interest centers.

April was present and she assisted with today's visit. There were two infant classrooms, three toddler classrooms, two 2's classrooms, two PS (3's) classes, one PreK (4's) class and one TK (4/5's) class in operation today. All classrooms were at or above ratio requirements. Children were observed during child directed activities, during transition time, preparing for rest time and while napping. Staff were observed to be engaged and assisting the children with their activities in all classrooms.

The center has a warming room and a cook on staff. The center provides breakfast, lunch and afternoon snack. Menus are on a four week rotation. Menus reviewed showed compliance with CACFP requirements.

The center has a spacious playground with fencing. There is poured rubber for required surfacing material. The center completes monthly playground checklists.
