Corrective Action Required:

Savanna needs to maintain a list of emergency numbers for all enrolled children that includes child's name, parent, emergency contact, and physician.
Savanna needs to put all smoke detectors back up throughout the home.
Savanna needs to locate her monthly drill documentation and continue monthly drills (fire, tornado, and smoke detector testing).
Savanna could not locate her certificate of registration. This worker will send an additional certificate to Savanna.
Savanna needs to post her emergency plans by primary and secondary exits.
Savanna needs to update children's files by signing all enrollment forms again (sign and date each form) and ensuring all children have current physicals and immunization records on public health certificates.

Savanna needs to send verification of the above items to Kathy by 5/26/25. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

Failure to send items could result in revocation of registration.

Savanna thought that Aticia was still approved as a substitute/assistant within her child care. In a review of the system, the CCA Unit denied Aticia for a substitute/assistant back in August 2024 due to training needs that remained unmet. If Savanna wants to get Aticia reapproved as an assistant and/or substitute, she will need to submit required trainings to the CCA Unit for consideration and make a change to her application.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 563-949-6971 or kathy.huinker@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Kathy Huinker
