1. Basic Overview

Metro Kids - South Union has been in operation for many years. The center provides care child care services to children who attend this school. The school has secured entrances. The center has it's own secured entrance. The school's gym, cafeteria and library are used by Metro Kids for programming space. The center also uses the school's playground. Kelsi Stanley is the director of the Metro Kids programs. Fatima Astudillo - Sanchez is the on site supervisor.

An unannounced visit was completed on today's date. All areas subject to HHS licensing rules and standards were reviewed. Mandatory postings are in place at the entrance. A daily schedule/lesson plan was posted. Children's coats and backpacks are kept on a coat rack in a hallway by the cafeteria. The center has interest areas in the cafeteria during programming.

Fatima assisted with today's visit. Three staff were working. There were twenty four children present during the visit. Children were observed in the cafeteria. Children were observed playing amongst the interest areas. Children were playing table activities. Children were drawing/coloring, playing with playdough, playing board games and card games and dolls. Staff were playing with the children and supporting the children as needed.

The center provides after school snack during programming. Menus reflect the center is compliant with CACFP standards. Food storage is sufficient.

The center uses the school's playground. The playground is maintained by the school. The center completes monthly playground checks.

Metro Kids uses Des Moines School buses for field trips.

2. Identify Observed Strengths of the program

The center has spacious programming space. The center has a good amount of age appropriate toys and learning materials. Children can participate in large motor activities daily.

3. Identify the aspects that fall below the standard

CHILD CARE CENTER ANNUAL EVALUATION

There were no licensing violations cited during the visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA

5. Special Notes/Recommendations

The center has a full license.

*Note: If you are the Child Care Center Director and you feel something is unclear or unjustly cited, please contact me (phone 515-362-7823; email melinda.larson@hhs.iowa.gov) so that we may discuss the issue. If necessary, I can make a notation in your record. You may also send a letter that will be included in your licensing file noting any disagreement you may have with this report. If you have the need for any additional information discussed during my visit, please contact me and I will forward the information to you. Thank you.

Date: 12/11/2025

HHS Licensing Consultant: Melinda Larson, Child Care Licensing Consultant

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Care License. Please take steps necessary to completely address each of the violations noted above.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at **https://iowaccrr.org**.
