Suggestions/Recommendations:

I encourage Destini to work with Julia Green from Child Care Resource and Referral with any ongoing compliance or training needs.
Julia can be reached at: (515) 202-1830

Corrective Action Required:

1. Destini needs to update or create a new sheet for parent contact information to post in an accessible location. I shared a new Phone Numbers sheet that can be used.

2. Destini needs to mount a battery operated smoke detector in her living room and her 3 bedrooms used for child care.

3. Destini needs to obtain a current vet statement for her 1 dog and 5 cats to have on file. These need to be completed using the State form I shared a copy of and need to be renewed every year.

4. Destini needs to install a child safety lock on her lower kitchen cabinet or needs to move her chemicals our of reach of children.

5. Destini needs to obtain a current physician signed statement of health for herself and Justin to have on file. These need to be completed using the State form I shared a copy of and need to be renewed every 3 years.

6. Destini's CPR/First Aid recently expired and needs to be renewed.

7. Destini needs to assemble entire files for several of the children she cares for. These files need to include the items listed in the description above.

No re-check is required at Destini's operation at this time. The above corrections need to be in place by 9/6/2024 and will be reviewed during her next visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (515) 291-0008 if you have any questions regarding this letter.

Sincerely,

Earl Crow
