## CHILD CARE ANNUAL EVALUATION

**1. Basic Overview**

Rojane has 37 total years of experience in childcare. She has been registered since 2011. She is a category B provider and participates in the food program. There are several pets in the home that appear to interact well with children. She has a fenced in yard with a lot of play equipment.

**2. Identify Observed Strengths Of The Program**

Rojane's home is clean and safe for the children. She is quite organized and all her paperwork and files are up to date. I observed very good communication with the children, who were comfortable with her as they would joke with each other. I also observed her needing to redirect a child in an appropriate and respectful manner.

**3. Identify The Aspects That Fall Below The Standard**

Rojane met all requirements for this compliance check.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**

NA

**5. Special Notes/recommendations**
