CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Yvette is a category B provider who has been registered since 2006. Yvettes runs a child led, play based program. There is a fenced in backyard. There is a dog in the home. Yvette does not participate in the food program.

2. Identify Observed Strengths Of The Program

Yvette maintains a clean, organized home. There were no safety issues present in the home. I observed positive interactions between Yvette and the children. There are a vast array of activities for the children to do indoors. There is playground equipment for the children in the back yard.

3. Identify The Aspects That Fall Below The Standard

110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.

110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.

110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.

A couple children need updated physical examinations and immunization records in their files.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
