CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Alexie has been providing child care since 2011. Alexie cares for children aged six weeks through 12 years of age. Alexie is available for care from 6:00 a.m. - 5:30 p.m. Monday through Thursdays and from 6:00 a.m. - 5:00 p.m. on Fridays. Alexie is not currently accepting new enrollments. Alexie and her husband Ryan are a category C provider together. Alexie has an approved assistant Diane who regularly assists in the environment as well. Alexie offers a play based environment for children in her care that has a regular structure/routine in place daily. Alexie does craft activities for children regularly, including most recently Halloween footprint paintings for all children in care.

2. Identify Observed Strengths Of The Program

Alexie believes her greatest strength in working with her children is that she has built a reputation of providing quality child care and she works hard on maintaining that level of care. Alexie is organized in her paperwork, maintaining all required paperwork in a file box. Alexie's home is safe and offers children of all ages and stages of development a place to learn and grow daily. Alexie maintains good communication with parents of children in care and asks for help from HHS and/or CCRR when needed.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Alexie needs updated physical for herself documented on form 470-5152, Child Care Provider Physical Examination Report.
Alexie has a few child files that need enrollment forms updated (signed and dated again within the last year) and updated physicals and immunization certificates.
