02/16/2024

Schnique Rembert
204 E 8th ST
Waterloo, IA 50703

Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 02/16/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(4)	**Emergency Plans**
441 IAC 110.8(4)	Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.
441 IAC 110.8(4) "a"	Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.
441 IAC 110.9	Files
441 IAC 110.9(1)	**A provider file is maintained and shall contain the following:**
441 IAC 110.9(1)"b" (1)	I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(1)"b"(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:

1. Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up

the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care
l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

An annual compliance check was completed on 2/16/24 and the following was out of compliance:

441 IAC 110.8(1)“h” The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes.
Schnique could not locate her documentation of monthly testing of smoke detectors for 2024.

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.
Schnique did not have emergency plan for fire and tornado posted by her primary or secondary exit.

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.
Schnique could not locate her documentation of monthly fire and tornado drills for 2024.

441 IAC 110.9(1)“b” (1) I-PoWeR records or certificates verifying required training completion:
Prior to registration:
minimum health and safety training, approved by the Department, in required content areas
Iowa’s Mandatory Child Abuse Reporter Training
Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.
Schnique could not locate her verification of First Aid and CPR training or her verification of mandatory child abuse reporter training.

441 IAC 110.9(1)“b”(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care.
Schnique could not locate this documentation.

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:
Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care
Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
Schnique identified that her daughter Michaela is her assistant but could not locate the letter approving her to be the assistant or her verification of mandatory child abuse reporter training.

441 IAC 110.9(4) Children’s Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:
Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child’s regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
A signed medical consent from the parent authorizing emergency treatment.
An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
The examination report or statement of health status shall be on file before the child's first day of care
For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
Documentation list that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
Written permission from the parent for the child to attend activities away from the child development home.
Schnique could not locate various required forms for each of the children's files.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 3/8/24 and will be reviewed at the next annual compliance check. Please send pictorial verification of the items where specifically noted below.

I encourage you to work with Black Hawk County Child Care Resource and Referral at 319 233-0804 with any ongoing compliance or training needs.

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Schnique needs to test each smoke detector monthly and keep a record of testing for inspection purposes.

Schnique could not locate her emergency plans. She needs to ensure she has these Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.
Please send pictorial verification of these once posed accordingly.

Schnique needs to locate her verification of First Aid and CPR training or her verification of mandatory child abuse reporter training and send pictorial verification to this worker.

Schnique should try to locate her documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

Schnique identified that her daughter Michaela is her assistant but could not locate the letter approving her to be the assistant or her verification of mandatory child abuse reporter training. Schnique needs to locate these and send pictorial verification to this worker.

Schnique needs to work with the parents and make sure to obtain all the required documentation for each child's file.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or cweber@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Christine Weber
